“Trust is a big word, and takes a lot of time and hard work to earn. That’s just what we’ve been doing for over 100 years.”

Chris Hanks, general manager

Trust

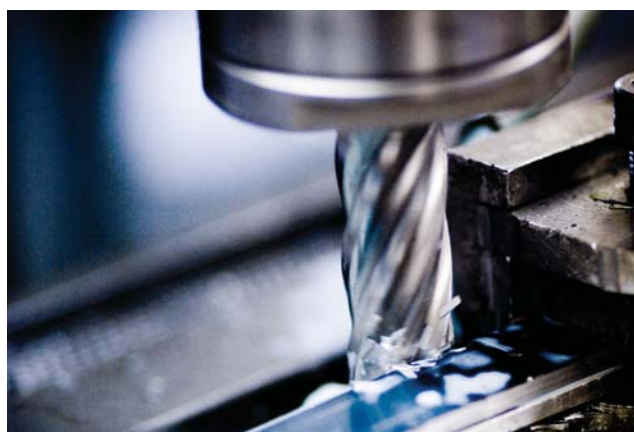

With Allianz, you can be confident that you’re insured by a company which is relentless in its commitment to protecting and serving you. You can trust us to insure your business, as we’ve been providing leading insurance solutions in the UK for over 100 years and are here to stay.

Although we strive to be the best we can, we can’t do it alone. It’s our philosophy to work with your broker, providing you with the insurance expertise you need. Together we can provide the right solution for your business.

Your broker knows we perform to consistently high standards. We believe in stable fair pricing and the highest levels of product and service excellence.

We used to be known as Cornhill Insurance. We’ve developed to become one of the most respected names in the UK insurance market, by running a dynamic operation which is consistently recommended by leading insurance brokers.

Don’t take our word for it - try us!

Protection

We're committed to serving the general insurance needs of your business. It's our understanding of the challenges you face as a business that make us a leading provider of insurance solutions in the UK.

We offer a broad portfolio of insurance solutions for businesses large and small. This includes cover for property & casualty, accident & health, motor trade, motor fleet and risk management.

You may also know that our parent – Allianz is one of the largest providers of financial services globally. The benefit of this is, if your business grows, we've the ability to protect you every step of the way.

Working closely with your broker, we develop a deep understanding of how your business operates and the risks your business attracts.

We then tailor the appropriate insurance solution, with policies that can protect you against the risks your business faces.

Our nationwide branch network gives us the ability to understand the local environment and economy based upon first hand experience which helps us ensure our underwriting of risks is more precise and sympathetic, unlike many of our competitors.

We can also provide independent inspection services to many businesses throughout the UK through our engineering business. We're also a market leader in the underwriting and provision of legal protection insurance.

Risk Management

Running a safer business contributes to security and stability – two key qualities that ensure your business future is protected. Your customers trust you to deliver. By making changes to the way you manage risks today, you can help safeguard your business for tomorrow.

“You're busy enough, without having to worry about the 'what ifs'. Our attention to detail and constant professionalism means we've got you covered.”

Karen Swift, property and casualty underwriter

“If the time comes, you’ll find our claims staff professional, friendly and efficient. We strive to fulfil the promises we make.”

Jon Dye, claims director

Promise

As part of the Allianz Group we’ve the financial strength, stability and solvency to fulfil the promises we make. Insurance is just a piece of paper, until you have a claim. Then the importance of choosing the right insurer for your business suddenly becomes clear.

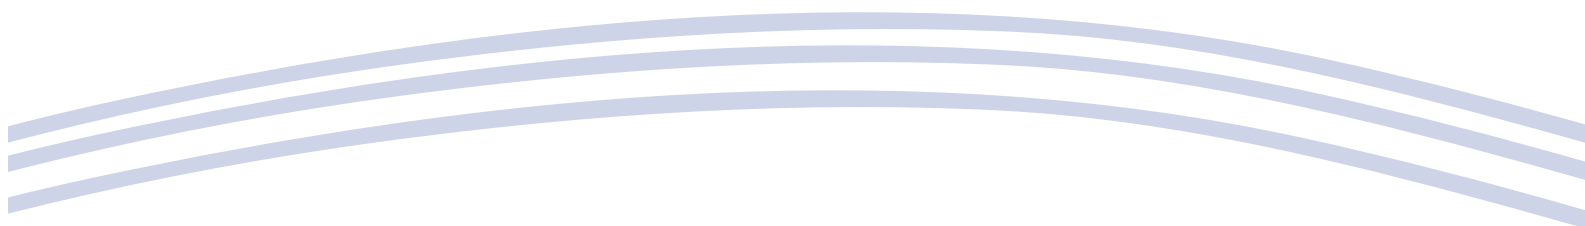

We aim to provide an excellent claims service which treats you fairly. Your broker knows we care about getting claims right.

We’re there when you need us and believe a well resourced and well trained claims team is of paramount importance to providing you with the service you expect.
