

Driver Profiler Managed Service

• Course objectives

RoSPA's Driver Profiler Managed Service takes the administration out of risk assessment. In addition to supplying licences for Driver Profiler RoSPA can also administer the back office management, including:

- add company logo to package
- collect additional data e.g. payroll number, licence number
- allocate drivers to departments/units
- set up hierarchy system for management login
- set up department administrators
- include bespoke advice and emails to package
- RoSPA to issue assessments to drivers
- RoSPA Issue assessment prompts to drivers
- further training recommendations based on the risk levels of drivers.

These added features will ensure your organisation gets the most out of the risk assessment process.

• Additional information

In order to benefit from the managed service please inform RoSPA of the services you require for a tailored quote.
