Small Fleet Policy Summary

This is a summary only and does not contain the full terms and conditions of the contract. Full terms and conditions can be found in the policy wording, a copy of which is available on request.

What is covered

The policy is underwritten by Allianz Insurance plc. Unless specifically agreed otherwise your policy will cover you for 12 months and is renewable annually. There are three different types of cover, summarised as follows.

Third Party Only (TPO)

If you are involved in an accident, you are covered for damage you cause to other peoples' vehicles or property or for injuries they sustain.

Third Party Fire & Theft (TPFT)

In addition to the cover provided above, you are also covered for loss of or damage to your own vehicle caused by fire or theft.

Comprehensive (Comp)

In addition to the cover described in TPFT, you are also covered for any damage your vehicle sustains in an accident or for any damage caused by vandalism.

Please periodically read the policy and the policy schedule carefully and make sure that it meets your needs and that you understand its terms, conditions, limits and exclusions. If you wish to change anything or if there is anything you do not understand please notify your insurance adviser. If you fail to notify us your policy may not operate or not operate fully.

What happens if I take out cover and then change my mind?

If you are an individual or sole trader (including a partnership in England or Wales) you have a right to cancel within a 14 day reflection period and receive a return of any premiums paid less an administration charge and an amount representing the cover you have received.

For any subsequent cancellation after the 14 day reflection period, provided you have not incurred any incident which may give rise to a claim, the policy provides a return of premium based on the scale stated within your policy. Full details can be found in the policy wording.

How do I notify a claim?

Allianz will provide all drivers with a **claims START** card to allow you to contact us immediately in the event of a claim.

Important Information

- You must observe the conditions which apply to your policy.
- Liability does not commence until this proposal has been accepted by Allianz Insurance plc and the premium has been paid, or if you have agreed to pay the premium and an official Allianz Insurance plc Covering note has been issued.

Your duty to make a fair presentation of the risk

You must make a fair presentation of the risk to us at inception, renewal and variation of your policy. This means that you must tell us about all facts and circumstances which may be material to the risks covered by your policy in a clear and accessible manner or give us sufficient information to alert us of the need to make enquiries about such facts or circumstances.

Material facts are those which are likely to influence us in the acceptance of or assessment of the terms or pricing of your policy. If you are in any doubt as to whether a fact is material, you should tell us about it.

If you fail to make a fair presentation of the risk, we may avoid your policy (that is treat it as if it had not existed) and refuse to pay any claims where any failure to make a fair presentation is:

- a** deliberate or reckless; or
- b** of such other nature that, if you had told us about a material fact or circumstance, we would not have issued, renewed or varied your policy.

In all other cases, if you fail to make a fair presentation of the risk, we will not avoid your policy but we may instead:

- a** reduce proportionately the amount paid or payable on any claim, the proportion for which we are liable being calculated by comparing the premium actually charged as a percentage of the premium which we would have charged had you made a fair presentation (e.g. if we would have charged you double the premium, we will only pay half the amount of any claims under your policy); and/or
- b** treat your policy as if it had included such additional terms as we would have imposed had you told us about a material fact or circumstance. Payment of any claim you make will be subject to the application of any such additional terms.

For these reasons it is important that you check all of the facts, statements and information set out in this proposal are complete and accurate. You must also make reasonable enquiries to check with anyone you employ in your business that the facts and statements set out in this form are complete and accurate.

- A specimen copy of the policy is available on request.
- You should keep a record (including copies of letters) of all information supplied to the Company which relates to this proposal. A copy of this proposal will be supplied on request.

If any of the Facts, Statements and Information set out in this Proposal are incomplete or inaccurate, you or your insurance adviser must contact us immediately. Failure to do so could invalidate your policy or lead to a claim not being paid.

Following the introduction of the Motor Insurance Database (MID) and the Ministry of Justice reforms to enhance claims processes, it is essential we are able to make immediate contact with you.
