- A** there is an insurance in force covering the interest of the Insured in the property at the Premises against such Event and that
 - i** payment has been made or liability has been admitted for payment, or
 - ii** payment would have been made or liability would have been admitted for payment but for the operation of a proviso in such insurance excluding liability for claims below a specified amount
- B** the most the Insurer will pay for any one claim is in the whole the Total Sum Insured or in respect of any item its Sum Insured or any other limit of liability in this Section.

The Sums Insured or limits of liability shall not be reduced by the amount of any claim as insured under this Section provided that

- a** the Insurer does not give written notice to the contrary within 30 days of the notification of any Event
- b** the Insured pays the appropriate additional premium on the amount of the claim from the date of the Event to the expiry of the Period of Insurance
- c** the Insured agrees to comply with any security recommendations or other measures the Insurer may require to reduce the risk of an Event.

The Insurer will pay the Insured as indemnity in consequence of Business Interruption for

Loss of Gross Rent means the amount by which the Gross Rent during the Indemnity Period falls short of the Standard Gross Rent.

Increase in Cost of Working means the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of Gross Rent which but for that expenditure would have taken place during the Indemnity Period.

If the Sum Insured by any item on Gross Rent is less than the Annual Gross Rent, or if the Departmental Trading clause applies is less than the aggregate of the sum produced by the Annual Gross Rent for each department of the Business (whether affected by the Event or not), the amount payable will be proportionately reduced.

The amount of the Annual Gross Rent will be proportionately increased when the Maximum Indemnity Period exceeds 12 months.

2 Alternative Premises

If during the Indemnity Period money is paid to the Insured for rent of premises elsewhere than at the Premises, for the benefit of the Business, the rent derived from such services shall be taken into account in arriving at the Gross Rent during the Indemnity Period.

3 Departmental Trading

If the Business is conducted in departments, the independent trading results of which can be ascertained, the Basis of Settlement for Gross Rent shall apply separately to each department affected.

4 Trends and Variations

Adjustments shall be made to the figures representing the Annual Gross Rent and the Standard Gross Rent that may be necessary to provide for the trend of the Business, and for variations in or other circumstances affecting the Business, either before or after the Event, and which would have affected the Business had the Event not occurred, so that the adjusted figures represent as near as reasonably practicable results which but for the Event would have been obtained during the relative period after the Event.

5 New Business

If the Business is in its first year of trading during the first Period of Insurance, and an Event occurs before completion of such first Period of Insurance, Annual Gross Rent and Standard Gross Rent shall mean the following.

Annual Gross Rent – the proportional equivalent, for the period of 12 months, of the Gross Rent realised during the period between the date of commencement of the Business and the date of the Event.

Standard Gross Rent – the proportional equivalent, for the period equal to the Indemnity Period, of the Gross Rent realised during the period between the date of commencement of the Business and the date of the Event.

6 Auditors and Accountants Charges

If the auditors or professional accountants of the Insured produce any particulars or details required by the Insurer from the Insured's books of account or other business books or documents, or any other proofs, information or evidence under the terms of Condition 2 of this Section, the Insurer will pay the Insured the reasonable charges payable by the Insured to their auditors or professional accountants provided that the sum of such reasonable charges and any other amount payable under this Section shall not exceed the liability of the Insurer under this Section.

7 Value Added Tax

All terms in this Section shall be exclusive of value added tax to the extent that the Insured are accountable to the tax authorities for such tax.

8 Current Cost Accounting

For the purposes of this Section, any adjustment implemented in current cost accounting shall be disregarded.

- d to the facts or matters set out in the Schedule or otherwise comprising the risk presentation made by the Insured to the Insurer at inception, renewal or variation of the Policy

which materially increases the risk of an Event and any other loss or expenditure as insured by this Section.

Upon being notified of any such alteration, the Insurer may, at its absolute discretion

- a continue to provide cover under this Section on the same terms
- b restrict the cover provided by this Section
- c impose additional terms
- d alter the premium
- e cancel this Section and the Policy.

If the Insured fails to notify the Insurer of any such alteration, the Insurer may

- b treat this Section and the Policy as if it had contained such terms (other than relating to premium) or other restrictions (if any) from the date of the alteration in risk as the Insurer would have applied had it known of the increase in risk

Particulars or details contained in the Insured's books of account or other business books or documents, which may be required by the Insurer for the purpose of investigating or verifying any claim under this Section, may be produced by professional accountants if at the time they are regularly acting for the Insured. The Insurer will not pay for any claim unless the terms of this condition have been complied with, and any payment on account already made shall be repaid to the Insurer.

4 Subrogation

Any claimant under this Section shall, at the Insurer's request and expense, take or permit to be taken all necessary steps for enforcing rights against any other party in the name of the Insured, before or after the Insurer makes any payment.

The Insurer agrees to waive any such rights to which the Insurer might become entitled by subrogation against any company standing in relation of parent to subsidiary (or subsidiary to parent) to the Insured or against any company which is a subsidiary of a parent company of which the Insured are themselves a subsidiary, in each case within the meaning of the Companies Act or Companies (Northern Ireland) Order current at the time of the Business Interruption.

The Insured may, at the insured's option, provide a declaration confirmed by the Insured's auditors of the Gross Rent earned during the financial year most nearly concurrent with an expired Period of Insurance. If any event has occurred giving rise to a claim for loss of Gross Rent, such declaration will be increased by the Insurer for the purpose of premium adjustment, by the amount by which the Gross Rent was reduced during such financial year solely in consequence of the Event.

If the declaration of Gross Rent, proportionately increased where the Maximum Indemnity Period exceeds 12 months, is less than the Sum Insured on Gross Rent for the relative Period of Insurance, the Insurer will allow a *pro rata* return of premium not exceeding 50% of the premium paid.
