Basis of Settlement

The Insurer will pay the Insured the value of the Property Insured at the time of its loss or destruction, or the amount of the Damage, or at the Insurer's option will reinstate or replace such Property or any part of such Property.

The most the Insurer will pay for any one claim is

- A** the Total Sum Insured, or for each item its individual Sum Insured, or any other limit of liability in this Section whichever is the less at the time of Damage
- B** the amount of the Sum Insured or limit of liability remaining after deduction for any other Damage occurring during the same Period of Insurance, unless the Insurer agrees to reinstate any such Sum Insured or limit of liability.

Irrespective of the number of insured parties the total liability of the Insurer to all of the insured parties collectively in respect of the cover insured by this Section shall not exceed the Total Sum Insured or in respect of any item its Sum Insured or any other stated limit of liability.

Any payment or payments by the Insurer to any one or more insured party shall reduce to the extent of that payment the liability of the Insurer to all parties arising from any one event giving rise to a claim under this Section.

The Sums Insured or limits of liability shall not be reduced by the amount of any claim following Damage as insured under this Section provided that

- a** the Insurer does not give written notice to the contrary within 30 days of the notification of any Damage
- b** the Insured pays the appropriate additional premium on the amount of the claim from the date of the Damage to the expiry of the Period of Insurance
- c** the Insured agrees to comply with any security recommendations or other measures the Insurer may require to reduce the risk of Damage.

Basis of Settlement Adjustments

In calculating the most the Insurer will pay for any one claim, adjustments shall be made in accordance with the following clauses.

1 Index Linking

Unless the Insured requests to the contrary, the Sums Insured and/or Declared Values will be adjusted to take into account movements in the appropriate index and renewal premiums will be based on the adjusted Sums Insured and/or Declared Values.

For Buildings, the General Building Cost Index issued by the Building Cost Information Service of the Royal Institution of Chartered Surveyors or for Residential Property the Household Rebuilding Cost Index issued by the Association of British Insurers (or some other suitable index the Insurer decides upon) will be used.

For Contents and other Property shown and/or described in the Schedule, the Retail Price Index (or some other suitable index the Insurer decides upon) will be used.

The above percentage changes will continue to be applied between the date of any Damage and the date when replacement or repair has been completed provided that the work of rebuilding or repair be commenced and carried out without unreasonable delay.

2 Average (Underinsurance)

The Sums Insured by

- a any items for Buildings or Contents subject to the Reinstatement (Day One Basis) clause are declared to be separately subject to Average as described in Special Condition 2 of such clause
- b any other items of Property Insured (other than any Sum Insured applying solely to rent, fees, removal of debris or private dwellings) are declared to be separately subject to Average. This means if at the time of Damage the Sum Insured for any item is less than the value of the item covered by such Sum Insured, the amount payable by the Insurer will be proportionately reduced.

3 Contribution and Average

If at the time of Damage any other insurance has been effected by or on behalf of the Insured covering any of the Property Damaged, the Insurer's liability under this section shall be limited to the Insurer's rateable proportion of such Damage.

If such other insurance is subject to Average (Underinsurance), this Section if not already subject to Average shall be subject to Average in like manner.

If such other insurance is subject to any provision which excludes it from ranking concurrently with this Section, either in whole or in part, or from contributing rateably, the liability of the Insurer under this Section shall be limited to that proportion of the Damage which the Sum Insured for this Section bears to the value of the Property.

4 Reinstatement (Day One Basis)

- A Subject to the Special Conditions set out below, the basis on which the amount payable, for Buildings, Contents and any other Property for which a Declared Value is specified in the Schedule is to be calculated will be the reinstatement of the Property lost, destroyed or damaged.

For this purpose "reinstatement" means

- i the rebuilding or replacement of Property lost or destroyed which, provided the Insurer's liability is not increased, may be carried out
 - a in any manner suitable to the requirements of the Insured
 - b on another site
- ii the repair or restoration of Property damaged

in either case to a condition equivalent to, or substantially the same as, but no better or more extensive than its condition when new.

- B The Declared Value (shown in brackets below the Sum Insured), having been stated in writing by the Insured, has been used to calculate the premium.

"Declared Value" means the assessment by the Insured of the cost of reinstatement of Property Insured arrived at in accordance with paragraph A.i. at the level of costs applying at inception of the Period of Insurance (ignoring inflationary factors which may subsequently operate), together with, to the extent that cover provides, due allowance for

- i any additional cost of reinstatement to comply with Public Authorities regulations, bye-laws or stipulations
- ii professional fees
- iii removal of debris costs.

Special Conditions

- 1 At inception of each Period of Insurance, the Insured shall notify the Insurer of the Declared Value of Property Insured. In the absence of such declaration the last amount declared by the Insured will be taken as the Declared Value for the new Period of Insurance, appropriately adjusted if Index Linking applies.
- 2 If at the time of Damage the Declared Value of the Property is less than the cost of reinstatement (as defined in paragraph A. i.) at inception of the Period of Insurance, the amount payable by the Insurer will be proportionately reduced.
- 3 The Insurer's liability for the repair or restoration of Property damaged in part only, shall not exceed the amount which would have been payable if such Property had been wholly destroyed.
- 4 No payment beyond the amount the Insurer would have paid in the absence of this clause will be made
 - a unless reinstatement commences and proceeds without unreasonable delay
 - b until the cost of reinstatement has actually been incurred
 - c where Property Insured at the time of Damage is covered by any other insurance effected by the Insured, or on behalf of the Insured, which is not on the same basis of reinstatement.
- 5 All the terms and conditions of this Section and the Policy shall apply
 - a to any claim payable under the provisions of this clause, other than where they are expressly varied by the terms of this clause
 - b where claims are payable as if this clause had not been incorporated, except that Sums Insured will be limited to 115% of Declared Values.

- C** the amount of any rate tax duty development or other charge or assessment arising out of capital appreciation which may be payable in respect of the Property by reason of compliance with any such regulations bye-laws or stipulations.

Special Conditions

- 1** The work of reinstatement must be commenced and carried out without unreasonable delay, and may be carried out upon another site (if such regulations bye-laws or stipulations so necessitate) subject to there being no resulting increase in the liability of the Insurer
- 2** If the liability of the Insurer is reduced by the application of any of the terms and conditions of this Section or the Policy (other than as a result of this clause) the liability of the Insurer under this clause will be reduced in like proportion
- 3** The liability of the Insurer shall not exceed in respect of any one claim
 - i** in respect of undamaged portions of property (other than foundations) 15% of the total amount the Insurer would have been liable to pay to reinstate the property if the Property Insured by the item at the Premises where Damage occurred had been wholly destroyed
