KM/017/A

Title Intruder Alarm - Day & Night

Cover for loss or damage caused by Theft or attempted Theft is conditional upon Your Home being protected by an intruder alarm installed by a company approved by an inspectorate which is accredited by the United Kingdom Accreditation Service with an annual maintenance agreement in force.

Whenever Your home is left unattended, the alarm must be set and in full and effective operation, any keys for which must be withdrawn and removed from Your Home. During the period when the household retires for the night, the night setting of the alarm must be set and in full and effective operation and any keys withdrawn and removed to an occupied room.

The alarm company must be informed immediately if any defect is discovered, and You must advise us if You discontinue the maintenance contract or use of the alarm.

If You do not currently have an intruder alarm fitted at Your home, cover in respect of Theft and attempted Theft will remain in force for up to twenty one days from &&01 subject to:

- i) the installation and use of an alarm as specified above;
- ii) the operation of an additional £250 excess until the alarm is fitted.

We shall not be liable for loss or damage caused by Theft or attempted Theft arising out of non-compliance with the above requirements.

Title Intruder Alarm - Day & Night

Cover for loss or damage caused by Theft or attempted Theft is conditional upon Your Home being protected by an intruder alarm installed by a company approved by an inspectorate which is accredited by the United Kingdom Accreditation Service with an annual maintenance agreement in force.

Whenever Your home is left unattended, the alarm must be set and in full and effective operation, any keys for which must be withdrawn and removed from Your Home. During the period when the household retires for the night, the night setting of the alarm must be set and in full and effective operation and any keys withdrawn and removed to an occupied room.

The alarm company must be informed immediately if any defect is discovered, and You must advise us if You discontinue the maintenance contract or use of the alarm.

We shall not be liable for loss or damage caused by Theft or attempted Theft arising out of non-compliance with the above requirements.

KM/018/A**Title Remote Signalling Alarm - Day & Night**

Cover for loss or damage caused by Theft or attempted Theft is conditional upon Your Home being protected by a Remote Signalling intruder alarm installed by a company approved by an inspectorate which is accredited by the United Kingdom Accreditation Service with an annual maintenance agreement in force.

If installed on or after 1st October 2001 the system must incorporate confirmation technology.

Whenever Your Home is left unattended, the alarm must be set and in full and effective operation, any keys for which must be withdrawn and removed from Your Home. During the period when the household retires for the night, the night setting of the alarm must be set and in full and effective operation and any keys withdrawn and removed to an occupied room. When the alarm is set, the means to transmit or receive signals (including the signalling path) must be in full and effective operation.

The alarm company must be informed immediately if any defect is discovered. In the event of You receiving written notification from the Police Authority, regarding withdrawal or possible withdrawal of their services in responding to alarm calls, You must immediately send such notification to Us. You must also advise us if You discontinue the maintenance contract or use of the alarm.

If You do not currently have an intruder alarm fitted at Your Home, cover in respect of Theft and attempted Theft will remain in force for up to thirty days from &&01 subject to:

- i) the installation and use of an alarm as specified above;
- ii) the operation of an additional £250 excess until the alarm is fitted.

We shall not be liable for loss or damage caused by Theft or attempted Theft arising out of non-compliance with the above requirements.

KM/918/A

Title Remote Signalling Alarm - Day & Night

Cover for loss or damage caused by Theft or attempted Theft is conditional upon Your Home being protected by a Remote Signalling intruder alarm installed by a company approved by an inspectorate which is accredited by the United Kingdom Accreditation Service with an annual maintenance agreement in force.

If installed on or after 1st October 2001 the system must incorporate confirmation technology.

Whenever Your Home is left unattended, the alarm must be set and in full and effective operation, any keys for which must be withdrawn and removed from Your Home. During the period when the household retires for the night, the night setting of the alarm must be set and in full and effective operation and any keys withdrawn and removed to an occupied room. When the alarm is set, the means to transmit or receive signals (including the signalling path) must be in full and effective operation.

The alarm company must be informed immediately if any defect is discovered. In the event of You receiving written notification from the Police Authority, regarding withdrawal or possible withdrawal of their services in responding to alarm calls, You must immediately send such notification to Us. You must also advise us if You discontinue the maintenance contract or use of the alarm.

We shall not be liable for loss or damage caused by Theft or attempted Theft arising out of non-compliance with the above requirements.

KM/019/A

Title Minimum Security Protections

Cover for loss or damage caused by Theft or attempted Theft is conditional upon Your home being protected in accordance with Our Minimum Security Requirements, detailed below.

Minimum Security Requirements

1. The final exit door is to be fitted with a suitable lock complying with British Standard 3621.
2. All other external doors, unless secured as in 1 above, shall be fitted with top and bottom mortice or surface mounted bolts with detachable keys.
3. Sliding patio doors shall have either
 - i) key operated locks top and bottom in addition to an existing deadlock, or
 - ii) manufacturers multi point (3 or more points) locking device.
4. All external windows opening on the ground floor or opening and accessible on other floors to be fitted with key operated window locks.
5. All external doors, and windows in 4 above, shall be secured using the above mentioned security devices and the keys withdrawn from locks whenever the home is left unattended.
6. When the household retires for the night all external doors and windows specified in 4 above except those in occupied bedrooms, shall be secured with the above mentioned security devices and the keys withdrawn from locks.

If the current security of Your home does not meet Our Minimum Security Requirements, cover in respect of Theft and attempted Theft will remain in force for up to fifteen days from &&01 subject to:

- i) the installation and use of the protections as specified above.
- ii) the operation of an additional £250 excess until the locks are fitted.

We shall not be liable for loss or damage caused by Theft or attempted Theft arising out of non-compliance with the above requirements.

KM/919/A**Title Minimum Security Protections**

Cover for loss or damage caused by Theft or attempted Theft is conditional upon Your home being protected in accordance with Our Minimum Security Requirements, detailed below.

Minimum Security Requirements

1. The final exit door is to be fitted with a suitable lock complying with British Standard 3621.
2. All other external doors, unless secured as in 1 above, shall be fitted with top and bottom mortice or surface mounted bolts with detachable keys.
3. Sliding patio doors shall have either

6. When the household retires for the night all external doors, and windows specified in 4 above except those in occupied bedrooms, shall be secured with the above mentioned security devices and the keys withdrawn from locks.

We shall not be liable for loss or damage caused by Theft or attempted Theft arising out of non-compliance with the above requirements.

KM/020/A

Title NACOSS/SSAIB Alarm Discount

A reduced premium is allowed for Section 2 Contents whilst Your Home is protected by an intruder alarm installed by a company approved by an inspectorate which is accredited by the United Kingdom Accreditation Service with an annual maintenance agreement in force.

Whenever Your home is left unattended, the alarm must be set and in full and effective operation, any keys for which must be withdrawn and removed from Your Home. During the period when the household retires for the night, the night setting of the alarm must be set and in full and effective operation and any keys withdrawn and removed to an occupied room.

The alarm company must be informed immediately if any defect is discovered, and You must advise us if You discontinue the maintenance contract or use of the alarm.

We shall not be liable for the first £250 of loss or damage caused by Theft or attempted Theft arising out of non-compliance with the above requirements.

KM/021/A**Title Minimum Security Discount**

A reduced premium is allowed for Section 2 Contents whilst Your home is protected in accordance with Our Minimum Security Requirements, detailed below.

Minimum Security Requirements

1. The final exit door is to be fitted with a suitable lock complying with British Standard 3621.
2. All other external doors, unless secured as in 1 above, shall be fitted with top and bottom mortice or surface mounted bolts with detachable keys
3. Sliding patio doors shall have either
 - i) key operated lock top and bottom in addition to an existing deadlock, or
 - ii) manufacturers multi point (3 or more points) locking device.
4. All external windows opening on the ground floor or opening and accessible on other floors to be fitted with key operated window locks.
5. All external doors, and windows in 4 above, shall be secured using the above mentioned security devices and the keys whenever the home is left unattended.
6. When the household retires for the night all external doors, and windows specified in 4 above except those in occupied bedrooms, shall be secured with the above mentioned security devices and the keys withdrawn from locks.

We shall not be liable for the first £200 of loss or damage caused by Theft or attempted Theft arising out of non-compliance with the above requirements.
